

Transactions

In EarnX, you can check all your transactions which you are done in the EarnX like any deposits, purchase any plan, Interests and withdrawals transactions. There are two types of transactions are there. The first one is Deposit Wallet Transactions and another one is Interest Wallet Transactions.

1. Deposit Wallet Transactions

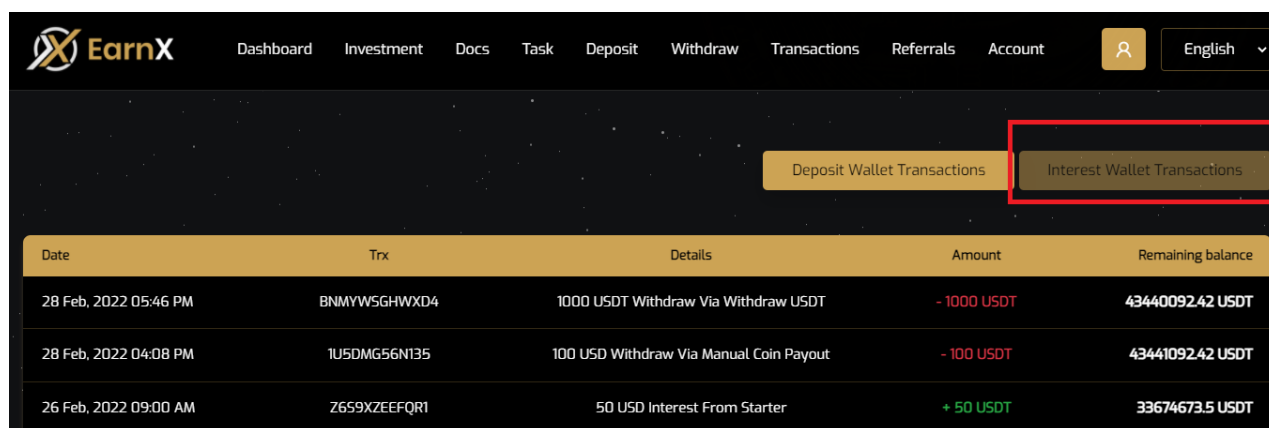

You can see all the details of all Deposit Wallet Transactions, like Date, Transaction, Details, Amount, and Remaining Balance. See what plan you took on which date and how much profit I will get from it

Date	Trx	Details	Amount	Remaining balance
